BRIEF ABSTRACT OF LETTER.

Regress States that he intends going on tour and solicits early sanction to take by rail a carriage & 4 horses by rail at fort cost during this tour and requests also to give general sanction, if otherwise unobjectionable, to take on tour the horses & carriage to which he is entitled by rail at fort cost.

NOTES AND ORDERS.

The Excise Commr States that he intends going out on tour and requests sanction to take by rail a carriage & 4 horses at fort cost. The reasons he puts forward are that he requires them in his tour in the interest of the public service and

that it is not possible to send the same a number of days in advance without prejudicing important fort work at all quarters & places & nearer the same.

He also requests that a general sanction, if otherwise unobjectionable, may be given to him to take ~~the same~~ ^{to} during his tour a carriage & 4 horses by rail whenever he goes out on tour.

General Sanctions of the kind applied for in para 2 of the letter under ^{disposal} ~~disposal~~ are not now accorded. As for the permission to take his Conveyance in connexion with the particular ^{tour} the Excise Commr intends making it is not explained clearly why he should arrange to send his Conveyance by road. Inconvenience caused at least by sending away the Conveyance in advance - no justification for imposition

on foot extra travelling charges.
It should clearly be perceived that
public interests would suffer
if the permission asked for is not
given. In the absence of
such proof the request cannot
be complied with —

There is no emergency duty, or any
question of economy of time. Mr. Shankar
wants to use his conveyance & horses in
his quarters while he is at Bangalore &
(have taken them) at first expense on
tour so that he may earn his horse
allowance by road without spending a pice!

2 This is the way in which Art 540
GSA which is intended before to very
few cases is sought to be applied —

3 Any opinion permission should
be refused & the officer asked before to be

OFFICE OF THE EXCISE COMMISSIONER IN MYSORE.

DATED BANGALORE, 3rd August 1907.

From

H.H. Sparkes Esquire,

Excise Commissioner in Mysore.

To

C.S. Balasundram Iyer Esquire, B.A.
Secretary to the Govt. of H.H. the
Maharaja of Mysore,
Genl & Rev Departments, Bangalore.

SIR,

I have the honor to submit that I intend very shortly to go on tour and to solicit early sanction of Government to take by railway a carriage and four horses to which I am entitled under Article 540 of the Mysore Service Regulations. I need hardly add that I require the horses and carriage in my tours in the -- interests of public service and it is not possible to send the same a number of days in advance without prejudicing important work at Head quarters and places nearer the same.

2. It will be difficult to apply for Government sanction every time I have to go on tour which in some cases may happen to be of an urgent nature. I, therefore request that if otherwise unobjectionable, Government may be pleased to grant general sanction to take by railway whenever I go on tour horses and carriage to which I am entitled.

I have the honor to be,

Sir,

Your most obedient servant

Excise Commissioner

in Mysore.
